

College Education Opportunity Notice

Would you like to complete your associates or bachelors degree from a fully accredited college or university while in prison but don't know what is available or how to pay for it?

The Prison Education Foundation™ has the answer. Talk to your education department or contact the foundation directly. We will explain what schools and degrees are available to you. You may even be eligible to receive a foundation scholarship to pay for some or all of your tuition. And, individuals who earn their GED while in prison are given special priority in the awarding of scholarship grants.

The Prison Education Foundation™ is a 501(c)(3) non-profit organization. There is **no charge** for the services we provide. Don't spend the time you have. Invest it. Invest it in the future - your future.

See your education director or contact:
